

Caught Ya!

Many times a Town employee goes above and beyond the call of duty without ever thinking they will get recognition. This program is meant to recognize the non-supervisory folks who help make our community a better place. Anyone can nominate a staff member (public, peer, supervisor, etc.).

Employee Nominated: D'Anyia Chance Date: 07/09/2018

From: Chief Thedis L. Spencer & Lieutenant Steven Kelly

I "Caught Ya" going above and beyond the call of duty when you:

- Showed integrity during a stressful and difficult time;
- Worked efficiently to save time and/or money;
- Were innovative in your work.

The specific incident that merits the "Caught Ya" Award is described in the box below:

Alecia Davis Geddings was traveling through Wadesboro pulling a horse trailer with 4 horses and headed toward her destination when she observed that she was having a tire problem. Officer Jenkins and Officer Chance while patrolling observed her in the parking lot of Advance Auto and assisted her with the tire issue. Mrs. Gedding was traveling alone and stranded here. Officer Jenkins and Officer Chance helped Mrs. Gedding change the trailer tires with temperature of 95 plus. Mrs. Gedding posted on her face book page this quote "My cup runner over for the help I received from the Wadesboro Police Department today! In a world so divided, these officers were super happy to jump in and help the horses and me!! Also, just wanted to throw out there....these two sweet, pretty female officers are single! Thank you officers, y'all rock!" **I received several calls from our citizens in reference of how proud they are about the Wadesboro Police Department.**
