THIS AGREEMENT is made and entered into on the last date executed below, by and between the North Carolina Department of Transportation, an agency of the State of North Carolina, hereinafter referred to as the "Department" and the Town of Wadesboro, hereinafter referred to as the "Municipality".

WITNESSETH:

WHEREAS, Fixing America's Surface Transportation (FAST) Act allows for the allocation of STBG funds to be available for certain specified transportation activities; and,

WHEREAS, the Municipality has requested federal funding for replacement of Municipal Bridge No. 316 in Wadesboro, hereinafter referred to as the Project, in Anson County, North Carolina; and,

WHEREAS, subject to the availability of federal funds, the Municipality has been designated as a recipient to receive funds allocated to the Department by the Federal Highway Administration (FHWA) up to and not to exceed the maximum award amount of \$1,160,000 for the Project; and,

WHEREAS, the Department has agreed to administer the disbursement of said funds on behalf of FHWA to the Municipality for the Project in accordance with the Project scope of work and in accordance with the provisions set out in this Agreement; and,

WHEREAS, the Department has programmed funding in the approved Transportation Improvement Program for the Project; and,

WHEREAS, the governing board of the Municipality has agreed to participate in certain costs and to assume certain responsibilities in the manner and to the extent as hereinafter set out; and,

WHEREAS, this Agreement is made under the authority granted to the Department by the North Carolina General Assembly including, but not limited to, the following applicable legislation: General Statutes of North Carolina (NCGS) Section 136-66.1, Section 136-71.6, Section 160A-296 and 297, Section 136-18, Section 136-41.3 and Section 20-169, to participate in the planning, construction and/or implementation of the Project approved by the Board of Transportation.

NOW, THEREFORE, this Agreement states the promises and undertakings of each party as herein provided, and the parties do hereby covenant and agree, each with the other, as follows:

1. GENERAL PROVISIONS

FEDERAL FUNDING ACCOUNTABILITY AND TRANSPARENCY ACT

All parties to this Agreement, including contractors, subcontractors, and subsequent workforces, associated with any work under the terms of this Agreement shall provide reports as required by the Federal Funding Accountability and Transparency Act (FFATA) for this Project.

AGREEMENT MODIFICATIONS

Any modification to scope, funding, responsibilities, or time frame will be agreed upon by all parties by means of a Supplemental Agreement.

LOCAL PUBLIC AGENCY TO PERFORM ALL WORK

The Municipality shall be responsible for administering all work performed and for certifying to the Department that all terms set forth in this Agreement are met and adhered to by the Municipality and/or its contractors and agents. The Department will provide technical oversight to guide the Municipality. The Department must approve any assignment or transfer of the responsibilities of the Municipality set forth in this Agreement to other parties or entities.

PERSON IN RESPONSIBLE CHARGE

The Municipality shall designate a person or persons to be in responsible charge of the Project, in accordance with Title 23 of the Code of Federal Regulations, Part 635.105. The person, or persons, shall be expected to:

- Administer governmental project activities, including those dealing with cost, time, adherence to contract requirements, construction quality and scope of Federal-aid projects;

- Maintain knowledge of day to day project operations and safety issues;
- Make or participate in decisions about changed conditions or scope changes that require change orders or supplemental agreements;
- Visit and review the project in accordance with the project scope and scale;
- Review financial processes, transactions and documentation to reduce the likelihood of fraud, waste, and abuse;
- Direct project staff, agency or consultant, to carry out project administration and contract oversight, including proper documentation; and
- Be aware of the qualifications, assignments and on-the-job performance of the agency and consultant staff at all stages of the project.

The person in responsible charge must be a full-time employee of the Municipality, but the duties may be split among several employees, if necessary.

COMPLIANCE WITH STATE/FEDERAL POLICY

The Municipality, and/or its agent, including all contractors, subcontractors, or sub-recipients shall comply with all applicable Federal and State policies and procedures, stated both in this Agreement and in the Department's guidelines and procedures, including the *Local Programs Management Handbook*.

FAILURE TO COMPLY - CONSEQUENCES

Failure on the part of the Municipality to comply with any of the provisions of this Agreement will be grounds for the Department to terminate participation in the costs of the Project and, if applicable, seek repayment of any reimbursed funds.

2. SCOPE OF PROJECT

The Project consists of replacing Bridge No. 316 on Burns Street over Lampley Branch in Wadesboro.

The Department's funding participation in the Project shall be restricted to the following eligible items:

- Design
- Environmental Documentation
- ROW Acquisition
- Utility Relocation
- Construction

as further set forth in this Agreement.

3. FUNDING

REIMBURSEMENT FOR ELIGIBLE ACTIVITIES

Subject to compliance by the Municipality with the provisions set forth in this Agreement and the availability of federal funds, the Department shall reimburse (80%) of eligible expenses incurred by the Municipality up to a maximum amount of One Million One Hundred Sixty Thousand Dollars (\$1,160,000), as detailed below. The Municipality shall provide the non-federal match, as detailed in the FUNDING TABLE below, and all costs that exceed the total estimated cost.

FUNDING TABLE

| Fund Source | Federal Funds Amount | Reimbursement Rate | Non-Federal Match \$ | Non-Federal Match Rate |
|-----------------------------|----------------------|--------------------|----------------------|------------------------|
| STBG | \$1,160,000 | 80% | \$290,000 | 20% |
| Total Estimated Cost | | \$1,450,000 | | |

WORK PERFORMED BY NCDOT

All work performed by the Department on this Project, including, but not limited to, reviews, inspections, and Project oversight, during any phase of the delivery of the Project, shall reduce the funding available to the Municipality under this Agreement. The Department will set aside ten percent (10%) of the total estimated cost, or \$145,000, to use towards the costs related to review and oversight of this Project, including, but not limited to review and approval of plans, environmental documents, contract proposals, engineering estimates, construction engineering and inspection oversight, and other items as needed to ensure the Municipality's appropriate compliance with state and federal regulations.

In the event that the Department does not utilize all the set-aside funding, then those remaining funds will be available for reimbursement to the Municipality at the above reimbursement rate.

For all costs of work performed on the Project, whether incurred by the Municipality or by the Department, the Municipality shall provide the non-federal match. The Department will bill the Municipality for the non-federal match of any costs that the Department incurs on the Project and for any costs that exceed the Total Estimated Cost.

4. PERIOD OF PERFORMANCE

The Municipality has five (5) years to complete all work outlined in the Agreement from the date of authorization of Federal funds for the initial phase of work. Completion for this Agreement is defined as completion of all construction activities or implementation activities, acceptance of the project, and submission of a final reimbursement package to the Department.

If additional time is needed to complete the Project, then a supplemental agreement must be executed. The Department and/or FHWA reserves the right to revoke the funds awarded if the Municipality is unable to meet milestone dates included herein.

5. PRELIMINARY ENGINEERING AUTHORIZATION

If Preliminary Engineering is an eligible expense, then upon receipt of an executed agreement, the Department will authorize Preliminary Engineering funds and shall notify the Municipality, in writing, once funds have been authorized and can be expended. The Municipality shall not initiate any work, nor solicit for any professional services prior to receipt of written authorization from the Department to proceed. Any work performed, or contracts executed, prior to receipt of written authorization to proceed will be ineligible for reimbursement.

6. PROFESSIONAL AND ENGINEERING SERVICES

The Municipality shall comply with the policies and procedures of this provision if the Municipality is requesting reimbursement for the Preliminary Engineering contract or the Construction Contract Administration / Construction Engineering and Inspection contract.

PROCUREMENT POLICY

When procuring professional services, the Municipality must adhere to Title 2 Code of Federal Regulations Part 200; Title 23 of the Code of Federal Regulations, Part 172; Title 40 United States Code, Chapter 11, Section 1101-1104; NCGS 143-64, Parts 31 and 32; and the Department's *Policies and Procedures for Major Professional or Specialized Services Contracts*.

Said policies and standards are incorporated in this Agreement by reference at www.fhwa.dot.gov/legregs/legislat.html and www.ncleg.net/gascripts/Statutes/Statutes.asp.

- The Municipality shall ensure that a qualified firm is obtained through an equitable selection process, and that prescribed work is properly accomplished in a timely manner and at a just and reasonable cost.
- All Professional Services Firms shall be pre-qualified by the Department in the Work Codes advertised.
- A pre-negotiation audit will be conducted by the Department's External Audit Branch. The Municipality shall not execute a consultant contract until the Department's review has been completed.

SMALL PROFESSIONAL AND ENGINEERING SERVICES FIRMS REQUIREMENTS

Any contract entered into with another party to perform work associated with the requirements of this Agreement shall contain appropriate provisions regarding the utilization of Small Professional Services Firms (SPSF). This policy conforms with the SPSF Guidelines as approved by the North Carolina Board of Transportation.

- The Municipality shall not advertise nor enter into a contract for services performed as part of this Agreement, unless the Department provides written approval of the advertisement or the contents of the contract.
- If the Municipality fails to comply with these requirements, the Department will withhold funding until these requirements are met.

WORK BY ENTITY

If the Design, Planning, Contract Administration and/or Construction Engineering and Inspection required for this project will be undertaken by the Municipality, and the Municipality requests reimbursement, then the Municipality must submit a request and supporting documentation to the Department for review and approval, prior to any work being initiated by the Municipality.

7. PLANNING / ENVIRONMENTAL DOCUMENTATION

The Municipality shall prepare the environmental and/or planning document, including any environmental permits, needed to construct the Project, in accordance with the National Environmental Policy Act (NEPA) and all other appropriate environmental laws and regulations.

All work shall be performed in accordance with Departmental procedures and guidelines. Said documentation shall be submitted to the Department for review and approval.

- The Municipality shall be responsible for preparing and filing with all proper agencies the appropriate planning documents, including notices and applications required to apply for those permits necessary for the construction of the desired improvements. Copies of approved permits should be forwarded to the Department.
- The Municipality shall advertise and conduct any required public hearings.
- If any permit issued requires that action be taken to mitigate impacts associated with the improvements, the Municipality shall design and implement a mitigation plan. The Department will determine if any mitigation costs are eligible for reimbursement. The Municipality shall bear all costs associated with penalties for violations and claims due to delays.
- The Municipality shall be responsible for designing an erosion control plan if required by the North Carolina Sedimentation Pollution Control Act of 1973, NCGS 113A, Article 4, incorporated in this Agreement by reference at www.ncleg.net/gascripts/Statutes/Statutes.asp and obtaining those permits required thereby in order to construct the Project. During the construction of the improvements, the Municipality, and its contractors and agents, shall be solely responsible for compliance with the provisions of said Act and the plan adopted in compliance therewith.

8. DESIGN

CONTENT OF PLAN PACKAGE

The Municipality, and/or its agent, shall prepare the Project's plans, specifications, and a professional estimate of costs (PS&E package), in accordance with the Department's guidelines and procedures, and applicable Federal and State standards. All work shall be submitted to the Department for review and approval. The plans shall be completed to show the design, site plans, landscaping, drainage, easements, and utility conflicts.

9. RIGHT OF WAY / UTILITY AUTHORIZATION

If the costs of right of way acquisition or utility relocation are an eligible expense, the Municipality shall submit a letter of request to the Department to authorize and set up right of way and/or utility funding. The acquisition for right of way, construction easements, and/or utility relocation may be

undertaken only after the Municipality receives written authorization from the Department to proceed.

10. PROJECT LIMITS AND RIGHT OF WAY (ROW)

The Municipality shall comply with the policies and procedures of this provision regardless of whether the Municipality is requesting reimbursement for the Right of Way phase of the Project.

SPONSOR PROVIDES ROW

The Municipality, at no liability whatsoever to the Department, shall be responsible for providing and/or acquiring any required ROW and/or easements for the Project.

ROW GUIDANCE

The Municipality shall accomplish all ROW activities, including acquisition and relocation, in accordance with the following: Title 23 of the Code of Federal Regulations, Part 710, Subpart B and Title 49 of the Code of Federal Regulations, Part 24, [Uniform Act] incorporated by reference at www.fhwa.dot.gov/legisregs/directives/fapgtoc.htm; NCGS, Chapter 133, Article 2, Sections 133-5 through 133-18, Relocation Assistance, incorporated by reference at www.ncleg.net/gascripts/Statutes/Statutes.asp; and the North Carolina Department of Transportation Right of Way Manual.

APPRAISAL

The Municipality shall submit the appraisal to the Department for review and approval in accordance with Departmental policies and procedures.

CLEARANCE OF PROJECT LIMITS / ROW

The Municipality shall remove and dispose of all obstructions and encroachments of any kind or character (including hazardous and contaminated materials) from said ROW, with the exception that the Municipality shall secure an encroachment agreement for any utilities (which shall remain or are) to be installed within the Department's ROW, or follow other applicable approval process, for utilities within the Municipality's ROW. The Municipality shall indemnify and save harmless the Department, Federal Highway Administration, and the State of North Carolina, from any and all damages and claims for damages that might arise on account of said right of way acquisition, drainage, and construction easements for the construction of said Project. The Municipality shall
